YOUTH LEADERSHIP PATHWAY

Intentional Discipleship

Kerygma	<i>Mario Borg</i>	Grow in familiarity and confidence with the simple Gospel - the foundation of our faith. Learn how to share about the Good News in a simple format.
Evangelisation Skills	<i>Very Reverend Fr Vincent Glynn</i>	The call to evangelization is core to our commission given by Jesus and confirmed through our Catholic commitment. What's the difference between "evangelization" and "evangelism", and what can evangelization look like in our lives when not all of us have a gift or call to stand on the streets and preach?
Imitating the Saints	<i>Archbishop Timothy Costelloe SDB</i>	What can we learn from and how can we follow in the footsteps of the saints? These men and women showed what integrity looks like in our lives - living out what they believed.
The Power of Confirmation	<i>Very Reverend Fr Vincent Glynn</i>	The Sacrament of Confirmation is more vital and powerful than we realize. When we were Confirmed, we were sealed with the gifts of the Holy Spirit, and were given a special strength to share and defend the faith. What does that look like in the day-to-day of our lives?

Communication Skills

Communication Tools for a Team	<i>Nessya Santoso</i>	Receive practical advice, tools and platform suggestions for communication methods within a team.
Active Listening	<i>Fr Joseph Laundry</i>	What's the difference between hearing and listening? Learn practical skills for active listening to assist in interpersonal relationships.
Conflict Resolution	<i>Jessica Bond</i>	It's important to understand that we all have different 'norms' for conflict. To have healthy relationships, we actually need conflict - so how can we approach it in a healthy way that will build a relationship?
Gifts and Delegation	<i>Theo Hartanto</i>	In any team working together, delegation is crucial. How can you recognise the strengths of yourself and others, and delegate in a way that builds a team and moves you forward towards a common goal?

Practical Youth Ministry Skills

Youth Ministry Culture	<i>Theo Hartanto</i>	How can we develop a healthy youth ministry culture?
Games Mastery	<i>Jessica Bond</i>	Games for youth group are often an afterthought, but what if we recognised them as a significant aspect of our ministry? Learn how to be a Games Master, and discern which kind of game to use, when.
Your Story, Your Testimony	<i>Mario Borg</i>	Learning about the importance of testimony, and how to confidently share yours.
Pastoral Care	<i>Adeline Bock</i>	Pastoral Care is an essential aspect of youth ministry. How can we look after our young people and volunteers well, keeping them as well as ourselves safe? When can we break confidentiality? What is the limit to our capacity to pastorally care for someone?
Fellowship	<i>Theo Hartanto</i>	Fellowship is foundational to any ministry - building personal relationships so that every person is seen and known.

Giving a Talk	<i>Mario Borg</i>	There are some important aspects to writing and delivering a powerful message. How can we communicate our message in a way that is clear, concise and captures your attention?
Small Group Leadership	<i>Theo Hartanto</i>	Small groups ensure that no one feels excluded or forgotten, and provide a safe space for people to connect, share and process. How can we be sensitive and confident leaders of a small group?
Music Ministry	<i>Jessica Bond</i>	Music ministry is more than just songs - worship music is an encounter with God.
Prayer Ministry	<i>Jessica Bond</i>	Jesus said, "Where two or more are gathered in my name, there am I." (Matt 18:20) Sometimes people can really benefit from having others pray with or for them. Learn some practical tips on how to pray safely and positively with someone.

Online Youth Ministry

Online Evangelism	<i>Nessya Santoso</i>	The online world is a powerful platform - how can we bring Jesus to this racing world of billions?
Authentic Online Presence	<i>Nessya Santoso</i>	How can we steward social media well and integrate it into our ministry in a healthy way?
Online Safeguarding	<i>Andrea Musulin</i>	Social media is a non-negotiable aspect of youth ministry for today. How can we protect both leaders and young people as we use technology to connect?

Healthy Relationships

Wisdom in Mental Health	<i>Jessica Bond</i>	Understand the common struggles of young people with mental health, how to safely handle emergency situations and take proactive steps to keep ourselves and those involved in ministry healthy.
Healthy Relationships	<i>Derek Boylan</i>	The environment we were raised in and our family history are both factors that helped form us in our experiences and expectations of relationships of all kinds. Learn how to develop a healthy team culture with flourishing relationships, and how you can talk to volunteers about their life choices in an honouring way.
Sexuality	<i>Derek Boylan</i>	In today's culture, the secular world is presenting a different view of sexuality to the Truth that the Catholic Church teaches. How can we include and support those who are struggling with identity and sexuality within our youth ministry while maintaining truth, integrity and safety?
Honouring Night		Combined Small Groups evening honouring the other gender - practically building healthy relationships between men + women.
